

Unresolved: cascadelake, icelake_8358

L2-like effective capacity (KiB)

2^{13}
 2^{12}
 2^{11}
 2^{10}
 2^9
 2^8

2014

2018

2022

2026

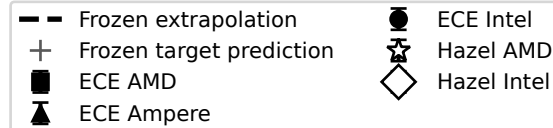

2029

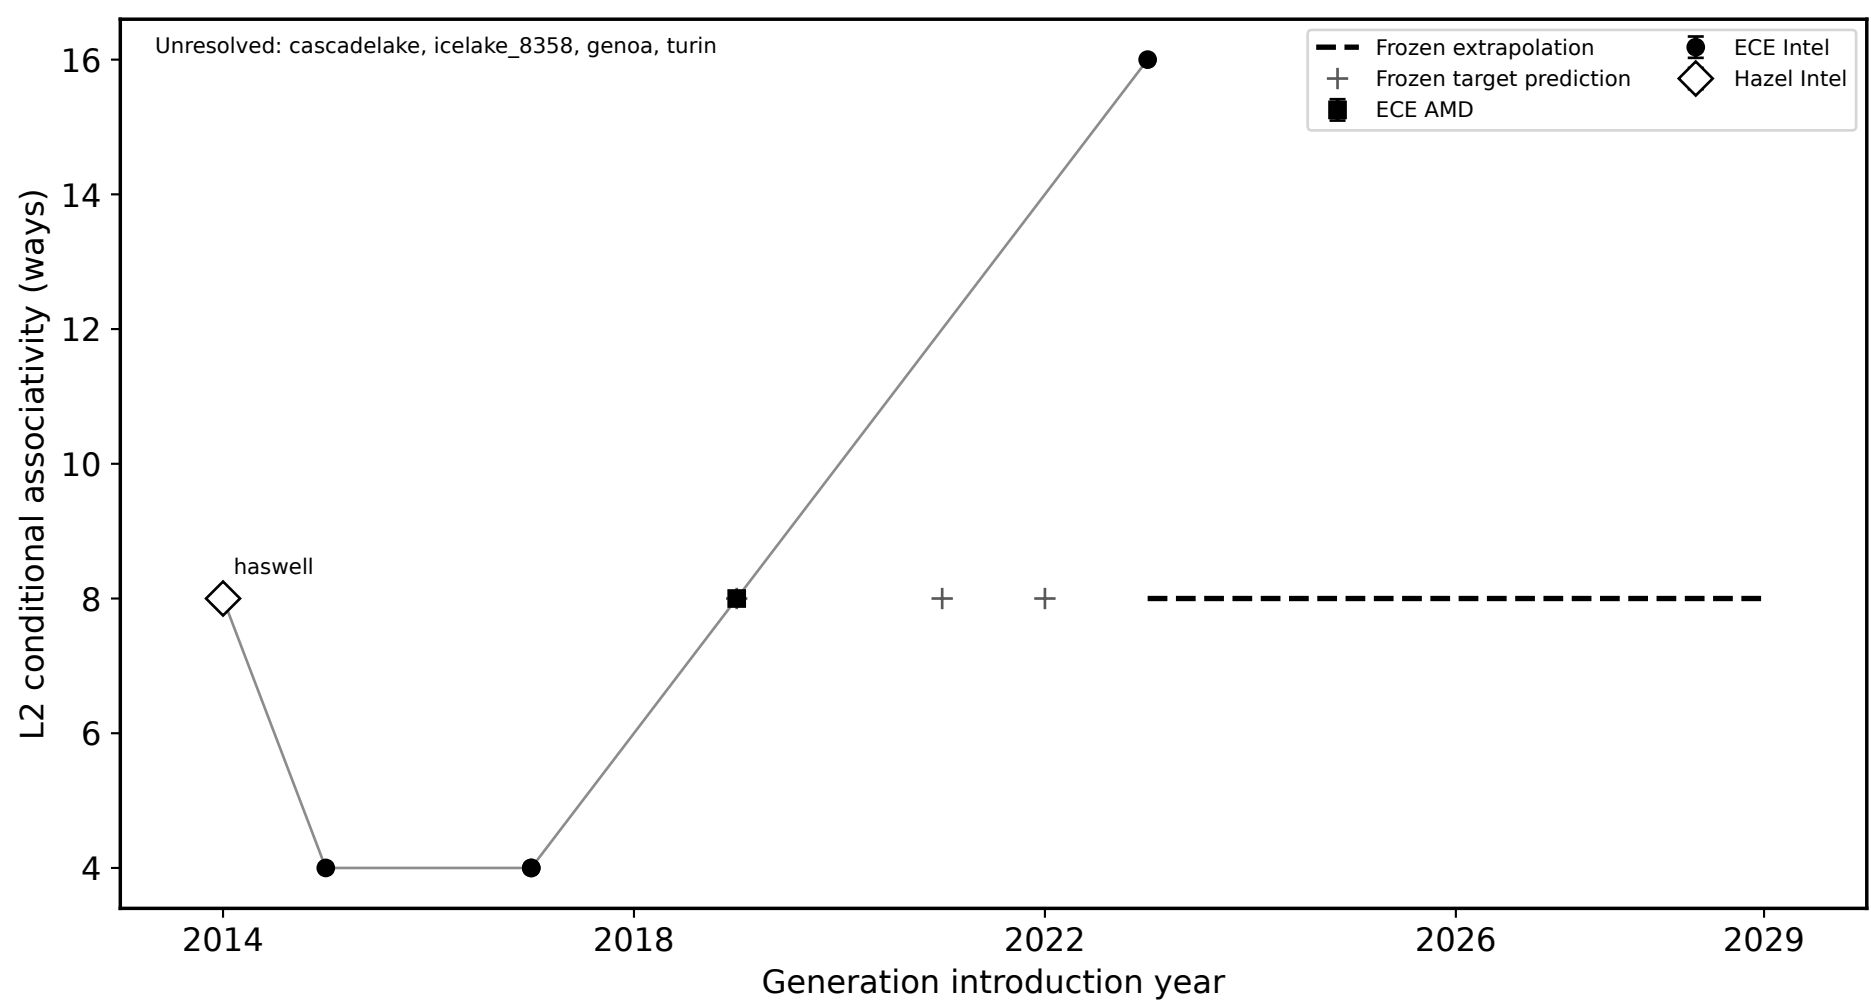

Generation introduction year

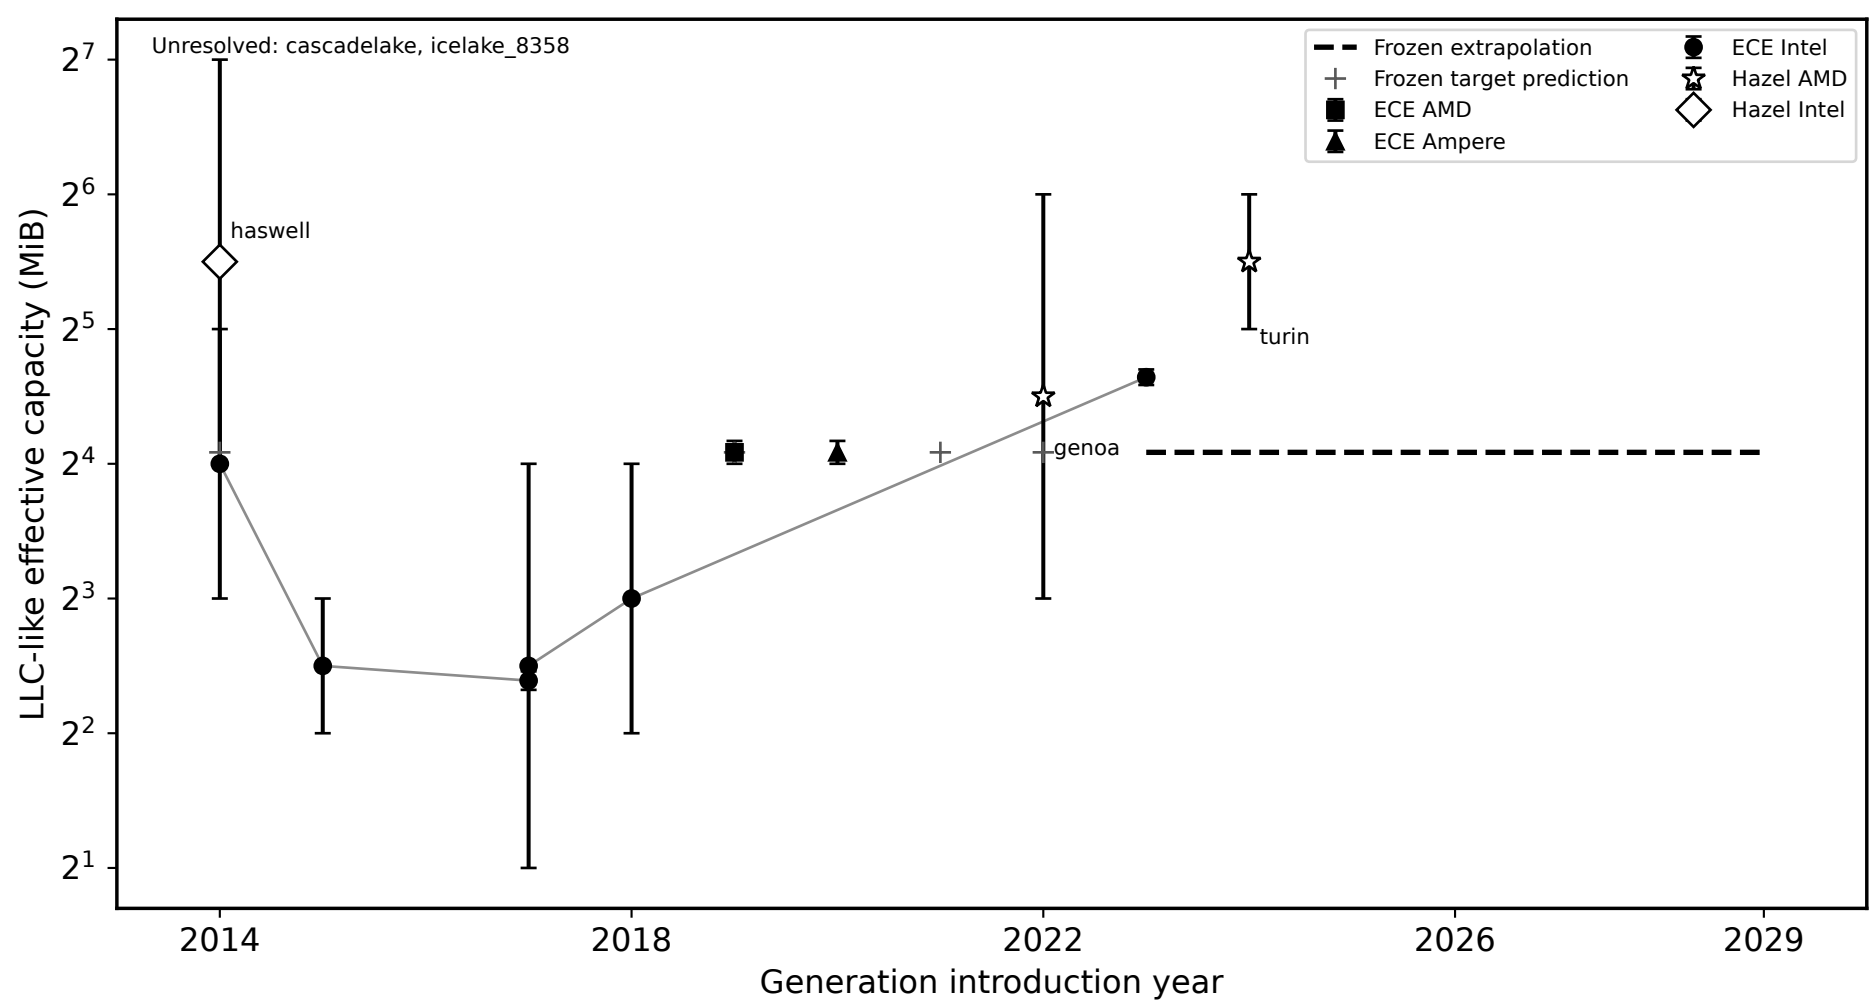

haswell

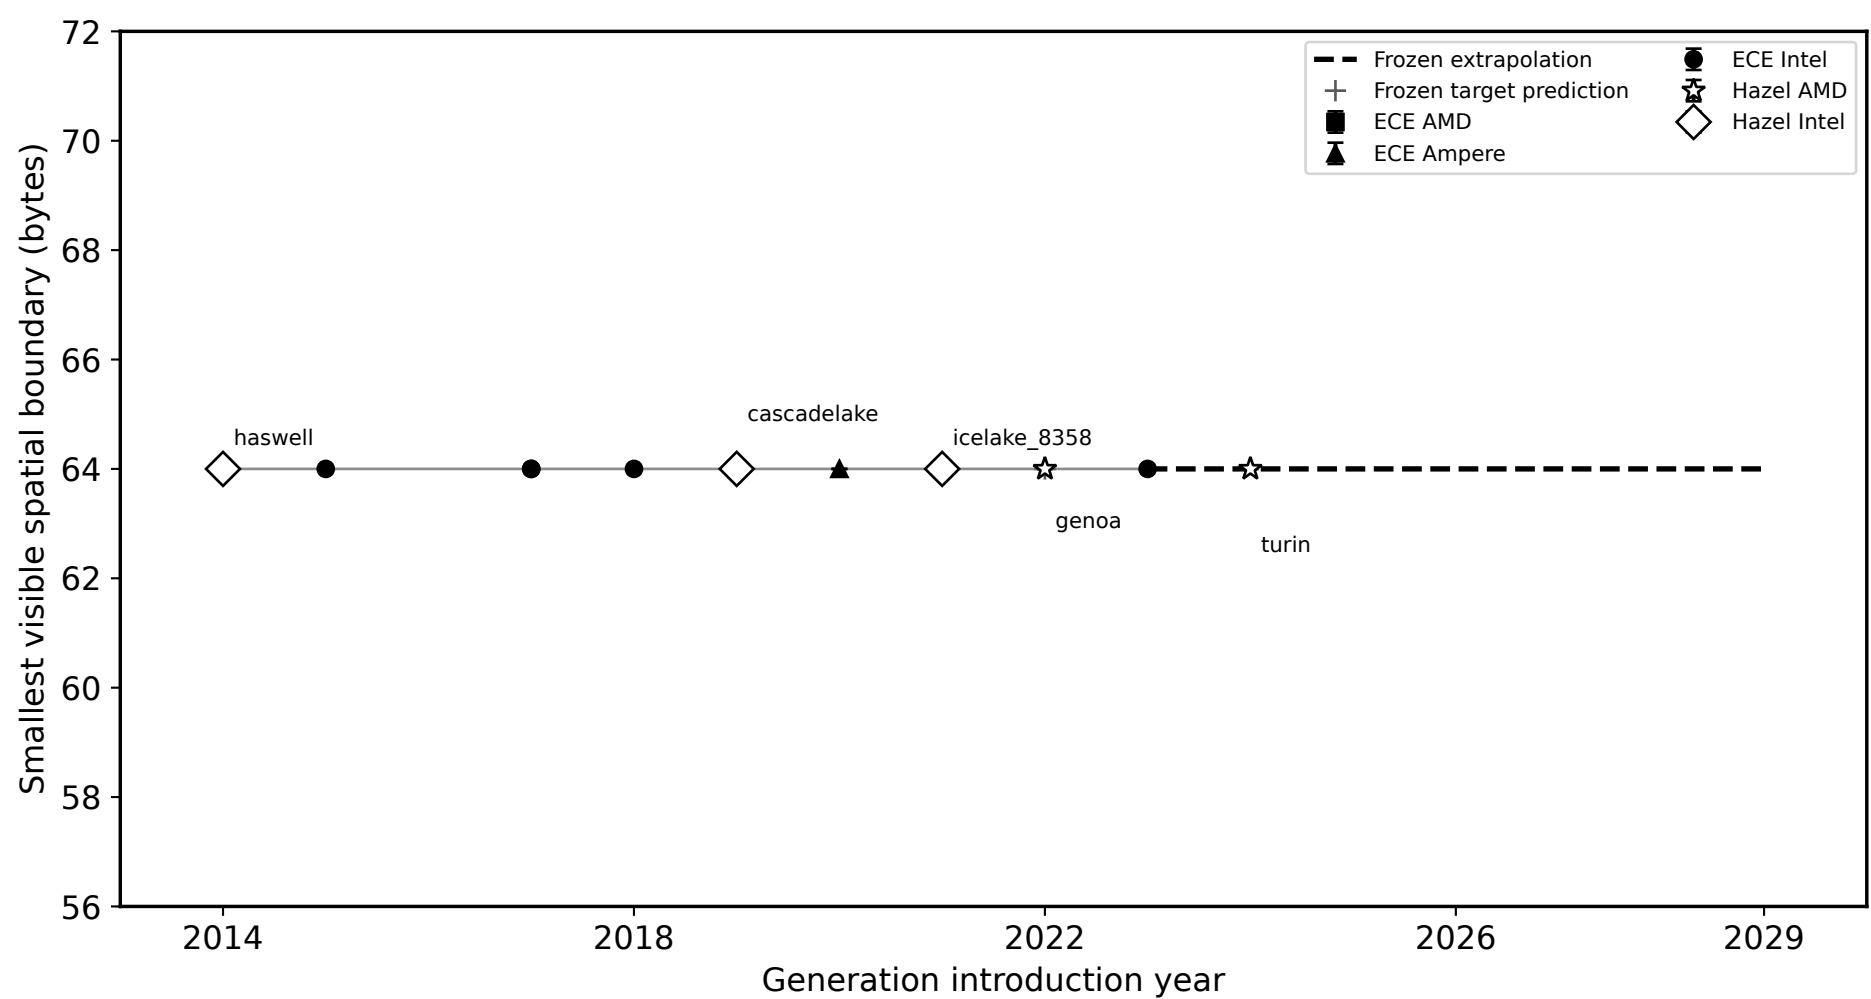

genoa

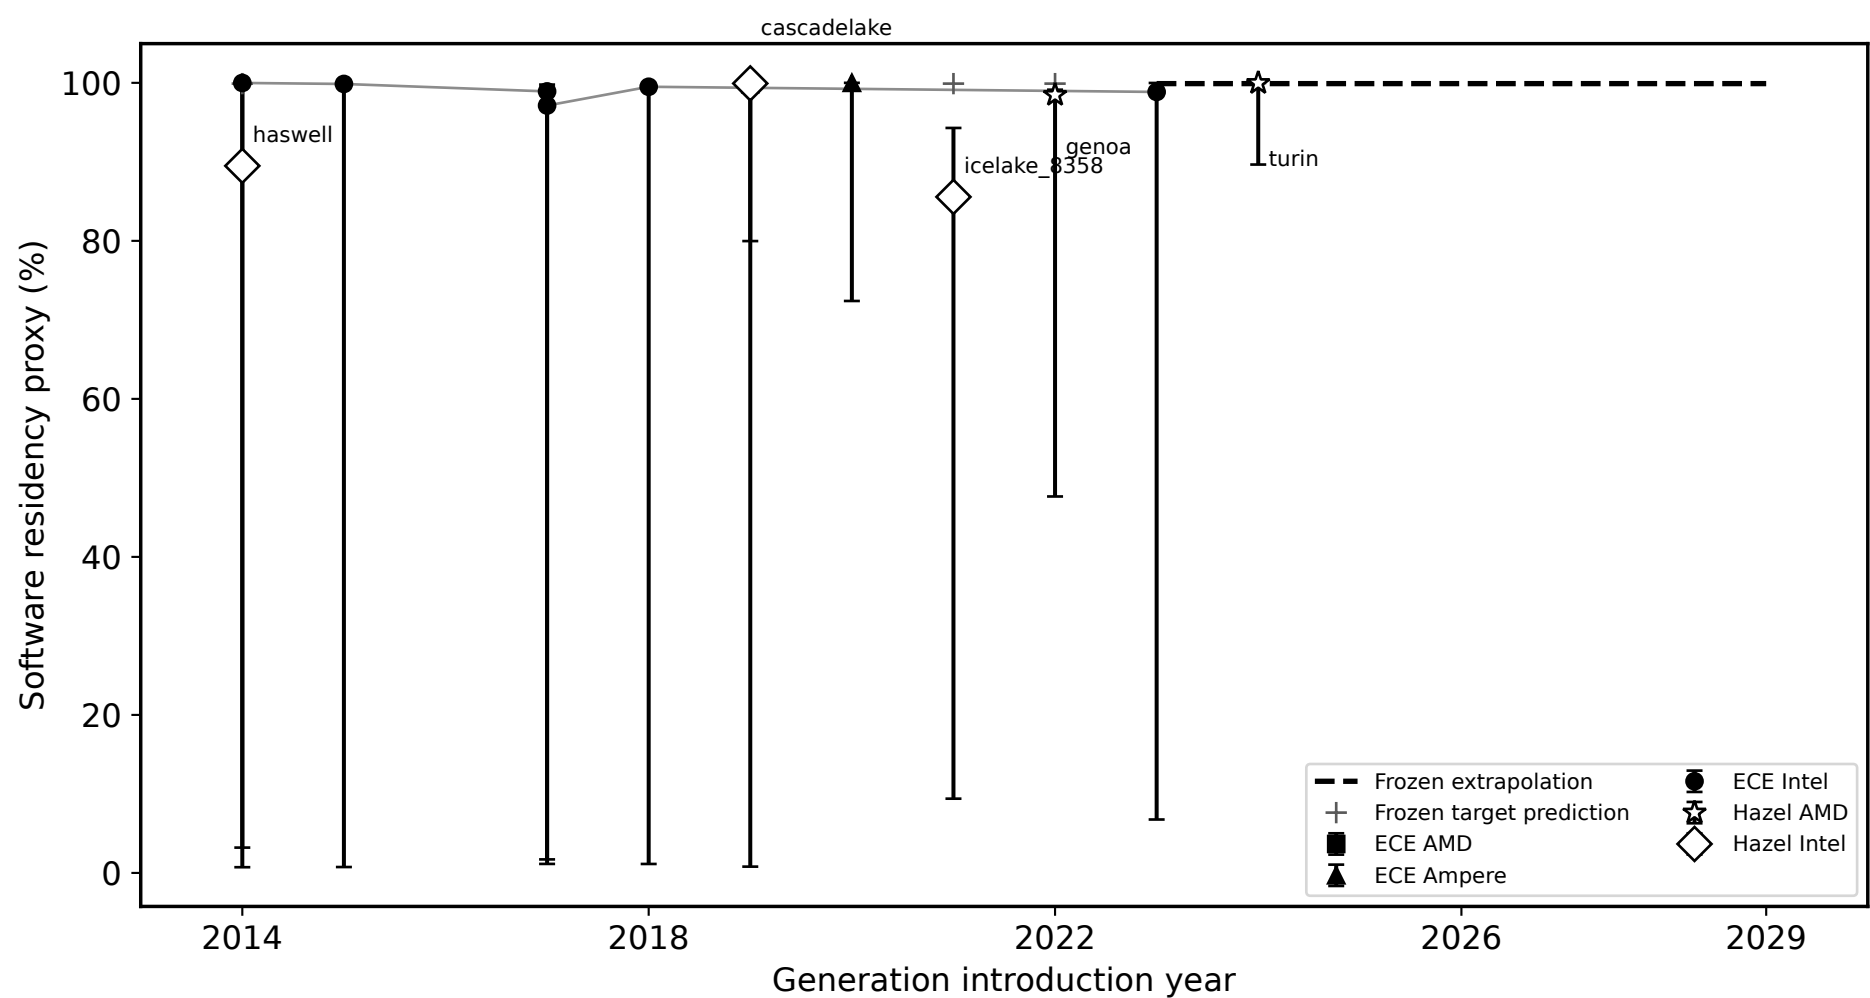

turin

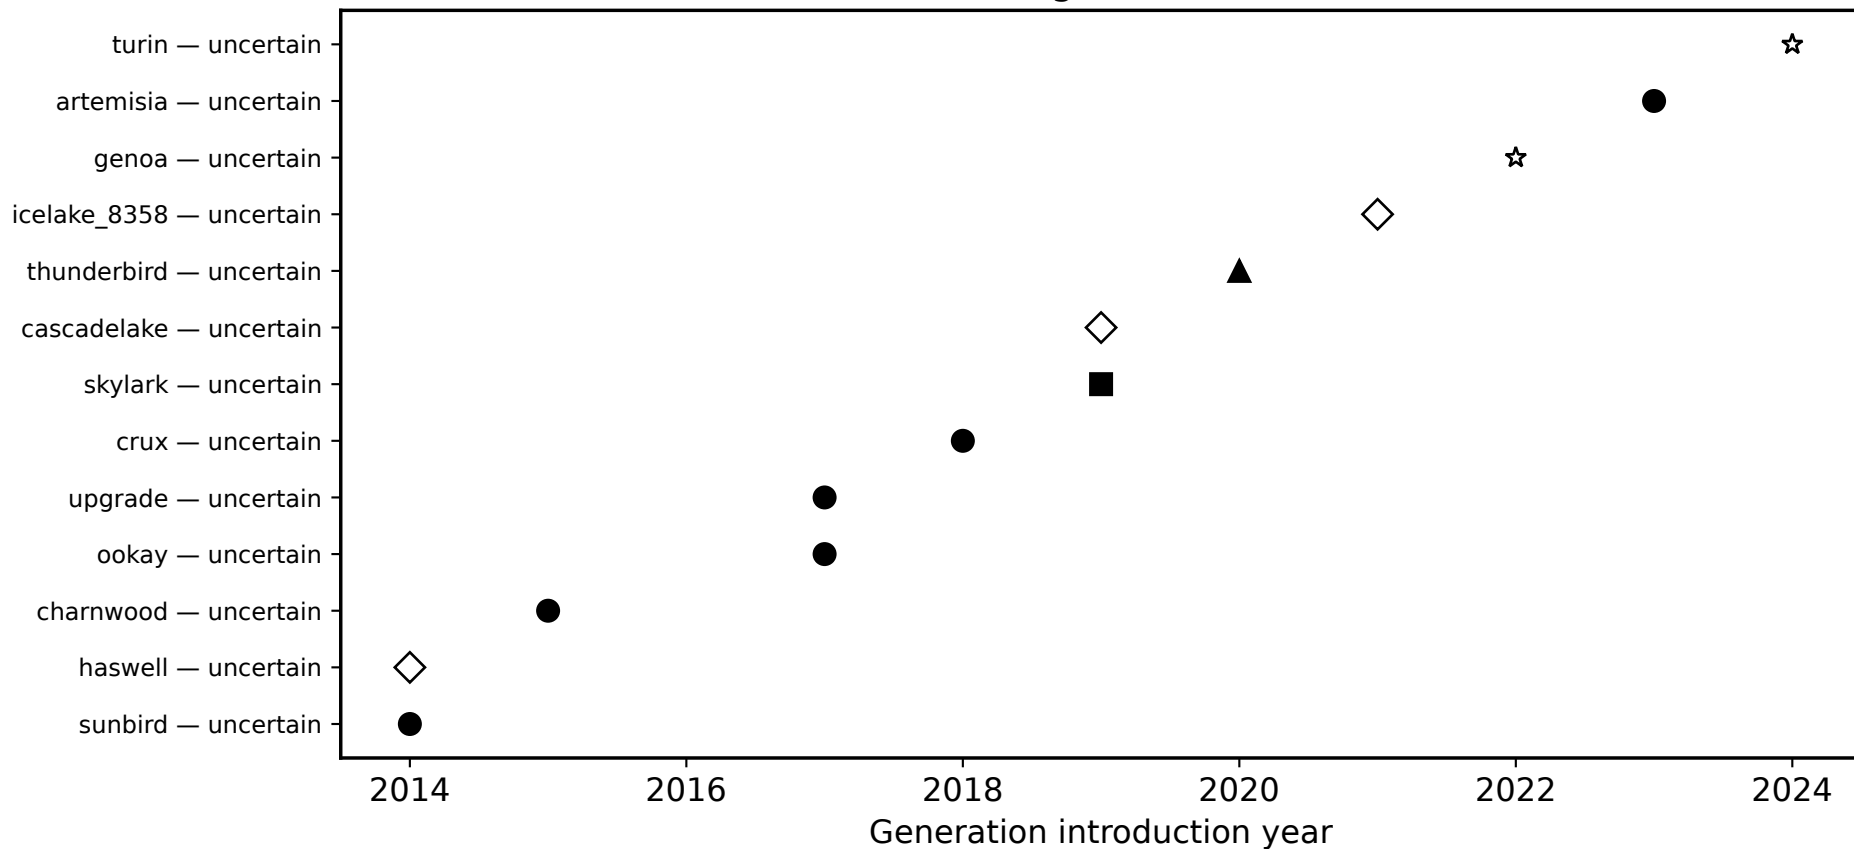

Inclusion/exclusion: all timing classifications remain uncertain

L1 miss penalty: L1-to-next-level service not isolated

No supported numerical series
No invented points or fitted trend

2014 2016 2018 2020 2022 2024 2026 2028 2030

Generation introduction year

L2 hit latency: physical L2 residency not isolated

No supported numerical series
No invented points or fitted trend

2014 2016 2018 2020 2022 2024 2026 2028 2030

Generation introduction year

L2 miss penalty: next-level service not isolated

No supported numerical series
No invented points or fitted trend

2014 2016 2018 2020 2022 2024 2026 2028 2030

Generation introduction year

LLC associativity: no supported conditional geometry

No supported numerical series
No invented points or fitted trend

2014 2016 2018 2020 2022 2024 2026 2028 2030

Generation introduction year

LLC hit and memory penalty: physical service classes not isolated

No supported numerical series
No invented points or fitted trend

2014 2016 2018 2020 2022 2024 2026 2028 2030

Generation introduction year

PMU trends: TODO partner Phase-II results for two comparable events

No supported numerical series
No invented points or fitted trend

2014 2016 2018 2020 2022 2024 2026 2028 2030
